CAREER OBJECTIVE

Driven Computer Science student looking for a job opportunity to apply advanced programming abilities and technical expertise, with an emphasis on providing significant solutions and contributing to cutting-edge technology projects.

EDUCATIONAL BACKGROUND

- 2022 - Present - Strathmore University - Bachelor of Science in Informatics and Computer Science.
- 2018-2022: Alliance Girls' High School.
- 2010 -2017: Loreto Convent Valley Road.

ACTIVITIES AND VOLUNTEER WORK.

- Team Leader and Organizing Committee Vice President of AIESEC in Strathmore (August 2024 - December 2024)

Embarked on a role to lead the University and Alumni Relations Portfolio, as well as organize a conference in Embu that greatly impacted the delegates in attendance.

- Community Service at AAR Hospital, Kiambu Road (February 2024 - March 2024)

Oversaw front desk operations, registering patients, and guiding them through their care process. Provided empathetic assistance to patients in pain, offering wheelchair support and ensuring a seamless, compassionate experience in a high-pressure environment.

EXPERIENCE

- Attachment at AAR Hospital, IT Department (January 2024 – February 2024): Assisted in IT support operations, including troubleshooting hardware issues, conducting system restarts, and managing password resets. Actively provided help desk support by fielding technical queries and ensuring smooth IT operations in a fast-paced healthcare environment.
- Attachment at Safaricom PLC, Android Development Team (January 2025 – April 2025): Contributed to the development and optimization of Safaricom's Android applications by assisting in feature implementation, debugging, and performance testing. Collaborated with senior developers to apply clean architecture principles, conduct code reviews, and write unit/UI tests. Participated in agile sprints, daily stand-ups, and maintained technical documentation to support team workflows and deliver high-quality mobile solutions.

TECHNICAL SKILLS.

- Java Programming
- Prompt Engineering
- Artificial Intelligence
- Data Visualization and analytics
- iOS App Development

SOFT SKILLS.

- Team collaboration.
- Communication.
- Proficiency in MS Word, Excel, and PowerPoint.
- Computing Research.

CERTIFICATIONS.

- IBM Artificial Intelligence
- Zindua Data Visualization
- Cisco IT essentials

. Apple App Development in Swift

INTERESTS.

- Car Enthusiast.
- Avid Reader
- Adventure Seeker
